Votes For		Votes Against	
#	%	#	%
33,667,036	95.82	1,467,398	4.18

Shareholder Rights Plan

Pursuant to the approval attained at the Meeting, Cybin has adopted a shareholder rights plan (the "Rights Plan"). The objectives of the Rights Plan are to ensure, to the extent possible, that all shareholders and the board of directors have adequate time to consider and evaluate any unsolicited take-over bid for the Company, provide the board with adequate time to evaluate any such take-over bid and explore and develop value-enhancing alternatives to any such take-over bid, encourage the fair treatment of the shareholders in connection with any such take-over bid, and generally assist the board in enhancing shareholder value.

Cybin has entered into the Rights Plan with Odyssey Trust Company and the Rights Plan is effective as of August 16, 2021 (the "Effective Date"). As of 12:01 a.m. on the Effective Date, one right (a "Right") was issued and attached to each Common Share outstanding at that time. Each Right entitles the registered holder to purchase from the Company one common share for the Exercise Price (as defined in the Rights Plan). In the event of an occurrence of a Flip-in Event (as defined in the Rights Plan), each Right entitles the registered holder to purchase from the Company that number of common shares that have an aggregate Market Price (as defined in the Plan) on the date of consummation or occurrence of such Flip-in Event equal to three times the Exercise Price, in accordance with the terms of the Rights Plan, for an amount in cash equal to the Exercise Price, subject to certain adjustments. The Rights are not exercisable prior to the Separation Time (as defined in the Rights Plan).

The issuance of the Rights will not change the manner in which shareholders trade their common shares. The Rights Plan will be in effect until the termination of the Company's annual meeting in 2024 unless reapproved by shareholders at that time.

The Rights Plan was not proposed in response to, or in anticipation of, any pending, threatened or proposed acquisition or take-over bid. The directors did not adopt the Rights Plan to deter take-over proposals.

The description of the Rights Plan in this press release is qualified in its entirety by the full text of the Rights Plan, which will be made available shortly under the Company's profile on SEDAR at www.sedar.com.

About Cybin

Cybin is a leading biotechnology company focused on researching and progressing psychedelic therapeutics by utilizing proprietary drug discovery platforms, innovative drug delivery systems, novel formulation approaches and potential treatment regimens for psychiatric disorders.

Cautionary Notes and Forward Looking Statements

Certain statements in this press release constitute forward-looking information. All statements other than statements of historical fact contained in this press release, including, without limitation, statements regarding Cybin's future, strategy, plans, objectives, goals and targets, and any statements preceded by, followed by or that include the words "believe", "expect", "aim", "intend", "plan", "continue", "will", "may", "would", "anticipate", "estimate", "forecast", "predict", "project", "seek", "should" or similar expressions or the negative thereof, are forward-looking statements. Forward looking

statements in this news release include statements regarding the achievement of the objectives of the Rights Plan. These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance, or achievements of the Company to materially differ from any future results, performance, or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: implications of the COVID-19 pandemic on the Company's operations; fluctuations in general macroeconomic conditions; fluctuations in securities markets; expectations regarding the size of the psychedelics market; the ability of the Company to successfully achieve its business objectives; plans for growth; political, social and environmental uncertainties; employee relations; the presence of laws and regulations that may impose restrictions in the markets where the Company operates; and the risk factors set out in the Company's management's discussion and analysis for the period ended June 30, 2021 and the Company's listing statement dated November 9, 2020, which are available under the Company's profile on www.sedar.com and with the U.S. Securities and Exchange Commission on EDGAR at www.sec.gov. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.

Cybin makes no medical, treatment or health benefit claims about Cybin's proposed products. The U.S. Food and Drug Administration, Health Canada or other similar regulatory authorities have not evaluated claims regarding psilocybin, psychedelic tryptamine, tryptamine derivatives or other psychedelic compounds or nutraceutical products. The efficacy of such products has not been confirmed by approved research. There is no assurance that the use of psilocybin, psychedelic tryptamine, tryptamine derivatives or other psychedelic compounds or nutraceuticals can diagnose, treat, cure or prevent any disease or condition. Vigorous scientific research and clinical trials are needed. Cybin has not conducted clinical trials for the use of its proposed products. Any references to quality, consistency, efficacy and safety of potential products do not imply that Cybin verified such in clinical trials or that Cybin will complete such trials. If Cybin cannot obtain the approvals or research necessary to commercialize its business, it may have a material adverse effect on Cybin's performance and operations.
