Cantor Fitzgerald & Co.
110 East 59th St, 6th Floor
New York, NY 10022

Ladies and Gentlemen:

Cybin Inc., a company continued under the *Business Corporations Act* (Ontario) ("**Cybin**" or the "**Company**"), confirms its agreement (this "**Agreement**") with Cantor Fitzgerald Canada Corporation and Cantor Fitzgerald & Co. (each individually an "**Agent**" and, collectively, the "**Agents**") to issue and sell common shares in the capital of the Company ("**Shares**") upon and subject to the terms and conditions contained herein. Capitalized terms used herein have the meanings given to them in Section 23 hereof.

1. Issuance and Sale of Shares

The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it may issue and sell through the Agents, Shares having an aggregate sales price of up to US\$100,000,000 (the "**Offering**"). The Shares will be sold on the terms set forth herein at such times and in such amounts as the Company and the Agents shall agree from time to time. The issuance and sale of the Shares through the Agents will be effected pursuant to the Prospectuses (as hereinafter defined) and the effective Registration Statement (as hereinafter defined) filed by the Company with the United States Securities and Exchange Commission (the "**SEC**"). When determining the aggregate value of the Placement Shares (as hereinafter defined) sold, the Company will use the daily exchange rate posted by the Bank of Canada on the date the applicable Placement Shares were sold to determine the United States dollar equivalent of any Placement Shares sold in consideration for Canadian dollars.

2. Placements

- (a) Placement Notice. Each time that the Company wishes to issue and sell Shares hereunder (each, a "**Placement**"), it will notify an Agent (the "**Designated Agent**") by e-mail notice (or other method mutually agreed to in writing by the parties) (a "**Placement Notice**") substantially in the form set forth on Schedule 1 hereto, containing the parameters within which it desires to sell the Shares, which shall at a minimum include: (i) the number or amount of Shares to be sold under the applicable Placement pursuant to this Agreement ("**Placement Shares**"), (ii) the time period during which sales are requested to be made, (iii) any limitation on the number of Placement Shares that may be sold in any one Trading Day, (iv) any minimum price below which sales may not be made, and (v) the amount of the Placement Fee (as hereinafter defined). The Placement Notice shall originate from any of the individuals (each an "**Authorized Representative**") from the Company set forth on Schedule 2 hereto and shall be addressed to each of the respective individuals from the Designated Agent set forth on Schedule 2 hereto, as such Schedule 2 may be amended from time to time. The Placement Notice shall be effective upon delivery to the Designated Agent unless and until (i) the Designated Agent declines to accept the terms contained therein for any reason, in its sole discretion, in accordance with the notice requirements set forth in Section 4, (ii) the entire amount of the Placement Shares have been sold, (iii) the Company suspends or terminates the Placement Notice in accordance with the notice requirements set forth in Sections 4 or 14, as applicable, (iv) the Company issues a subsequent Placement Notice with parameters superseding those on the earlier Placement Notice, or (v) this Agreement has been terminated under the provisions of Section 14.

- (b) Placement Fee. The amount of compensation to be paid by the Company to the Designated Agent with respect to each Placement for which such Agent acted as the Designated Agent under this Agreement shall be equal to 3.0% of the gross proceeds from such Placement (the "**Placement Fee**"), which amount shall be paid in the same currency as the sale of the Placement Shares it pertains to.
 - (c) No Obligation. It is expressly acknowledged and agreed that neither the Company nor the Agents will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until the Company delivers a Placement Notice to an Agent, which Placement Notice has not been declined, suspended or otherwise terminated in accordance with the terms of this Agreement, and then only upon the terms specified therein and herein. It is also expressly acknowledged that the Agents will be under no obligation to purchase Placement Shares on a principal basis. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice will prevail.
 - (d) Limitations on Placements. Under no circumstances shall the Company deliver a Placement Notice if, after giving effect to the issuance of the Placement Shares requested to be issued under such Placement Notice, the aggregate sales proceeds raised from the Placement Shares sold pursuant to this Agreement would exceed US\$100,000,000. In the event the Company wishes to change the minimum price at which Placement Shares may be issued, the Company shall deliver a new Placement Notice and the Placement Notice shall cease to be effective upon delivery of such new Placement Notice, in accordance with Section 2(a). Under no circumstances shall the Company cause or request the offer or sale of any Placement Shares if, after giving effect to the sale of such Placement Shares, the aggregate gross sales proceeds of Placement Shares sold pursuant to this Agreement would exceed the amount authorized from time to time to be issued and sold under this Agreement by the Company's board of directors and notified to the Agents in writing.
 - (e) Under no circumstances shall the Agents cause or request the offer or sale of any Placement Shares pursuant to this Agreement at a price lower than the minimum price authorized from time to time in the applicable Placement Notice. Notwithstanding anything to the contrary contained herein, the parties hereto agree that compliance with the limitations set forth in this Section 2 on the amount of Placement Shares issued and sold under this Agreement shall be the sole responsibility of the Company and that the Agents shall have no obligation in connection with such compliance.
-

3. Sale of Placement Shares by the Agents

Subject to the terms and conditions of this Agreement, upon the Company's issuance of a Placement Notice, and unless the sale of the Placement Shares described therein has been declined, suspended, or otherwise terminated in accordance with the terms of this Agreement, the Designated Agent will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell on behalf of the Company and as agent, such Placement Shares up to the amount specified during the time period specified, and otherwise in accordance with the terms of such Placement Notice.

The Designated Agent covenants and the Company acknowledges that the Agents will conduct the sale of Placement Shares in compliance with all applicable Securities Laws, and, if applicable, the rules of the Exchanges, or any other "marketplace" (as such term is defined in NI 21-101) on which the Shares are listed or posted for trading, and that such compliance may result in a delay in commencement of sales efforts after receipt of a Placement Notice.

The Designated Agent will provide written confirmation to the Company no later than the opening of the Trading Day immediately following the Trading Day on which it has made sales of Placement Shares hereunder setting forth:

- (i) the number of Placement Shares sold on such day (showing the number of Placement Shares sold on the Exchanges, or any other "marketplace" (as such term is defined in NI 21-101) in Canada (a "**Canadian Marketplace**"), or any national securities exchange or automatic quotation system in the United States (a "**United States Marketplace**"), and pursuant to any other sales method used by the Agents),
- (ii) the average price of the Placement Shares sold (showing the average price of the Placement Shares sold on the Exchanges and pursuant to any other sales method used by the Agents),
- (iii) the gross proceeds,
- (iv) the Placement Fee payable by the Company to the Agents with respect to such sales, and
- (v) the Net Proceeds payable to the Company.

Subject to the terms and conditions of the Placement Notice, the Agents may sell Placement Shares by any method permitted by law that constitutes an "at-the-market distribution" under NI 44-102 and an "at-the-market offering" as defined in Rule 415(a)(4) under the U.S. Securities Act, including, without limitation, (i) in privately negotiated transactions with the Company's consent and, if required, the consent of the Exchanges; (ii) as block transactions; (iii) as sales made directly on the Exchanges; or (iv) by any method permitted by law. Cantor Fitzgerald & Co. covenants and agrees with the Company that it (i) shall not, directly or indirectly, advertise or solicit offers to purchase or sell Placement Shares in Canada, and (ii) shall not sell Placement Shares on any Canadian Marketplace. For the avoidance of doubt, Cantor Fitzgerald & Co. is not acting as an underwriter of or agent with respect to the Placement Shares in the Canadian Qualifying Jurisdictions and no action on the part of Cantor Fitzgerald & Co. in its capacity as agent of the offering of the Placement Shares in the United States is intended to create any impression or support any conclusion that it is acting as an underwriter of or agent with respect to the Placement Shares in the Canadian Qualifying Jurisdictions.

While a Placement Notice is in effect, the Agents shall not (i) over-allot Shares in connection with the distribution of Placement Shares in an "at-the-market distribution" (as defined in NI 44-102) or (ii) engage in any transactions or activities that are intended to stabilize or maintain the market price of the Shares. For the avoidance of doubt, this restriction shall not apply to transactions by or on behalf of any customer of the Agents or transactions by the Agents to facilitate any such transactions by or on behalf of any customer of the Agents.

Notwithstanding anything to the contrary set forth in this Agreement or a Placement Notice, the Company acknowledges and agrees that (i) there can be no assurance that the Agents will be successful in selling any Placement Shares or as to the price at which any Placement Shares are sold, if at all, and (ii) the Agents will incur no liability or obligation to the Company or any other person or entity if they do not sell Placement Shares for any reason other than a failure by the Agents to use their commercially reasonable efforts consistent with its normal trading and sales practices to sell, on behalf of the Company and as agent, such Placement Shares as provided under this Section 3.

If the terms of any Placement as set forth in a Placement Notice contemplate that the Placement Shares shall be sold on more than one Trading Day, then the Company and the Agent shall mutually agree to such additional terms and conditions as they deem necessary in respect of such multiple Trading Days, and such additional terms and conditions shall be binding to the same extent as any other terms contained in the relevant Placement Notice.

4. Suspension of Sales

- (a) The Company or the Designated Agent may, upon notice to the other party in writing, by telephone (confirmed promptly by e-mail) or by e-mail notice (or other method mutually agreed to in writing by the parties), suspend any sale of Placement Shares for which it has received a Placement Notice or in the case of the Agents only, decline to accept the terms of a Placement Notice; provided, however, that such suspension shall not affect or impair any party's obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. The Company and the Agents (severally and not jointly) agree that no such notice shall be effective against any other party unless it is made to one of the individuals named on Schedule 2 hereto, as such Schedule may be amended from time to time.
 - (b) Notwithstanding any other provision of this Agreement, during any period in which the Company is in possession of material non-public information with respect to the Company or the Shares, the Company and the Agents (provided they have been given prior written notice of such possession by the Company, which notice the Agents agree to treat confidentially) agree (severally and not jointly) that no sale of Placement Shares will take place. The Company and the Agents (severally and not jointly) agree that no such notice shall be effective against any other party unless it is made to one of the individuals named on Schedule 2 hereto, as such Schedule may be amended from time to time. Material non-public information includes, without limitation, any material fact or material change that has not been generally disclosed.
-

5. Settlement

- (a) Settlement of Placement Shares. Settlement for sales of Placement Shares will occur on the first (1st) Trading Day following the date on which such sales are made (each a "**Settlement Date**"). The amount of proceeds to be delivered to the Company on a Settlement Date against the receipt of the Placement Shares sold will be equal to the aggregate sales price at which such Placement Shares were sold, after deduction for the commission or other compensation for such sales payable by the Company to the Designated Agent pursuant to Section 2 hereof ("**Net Proceeds**").
- (b) Delivery of Placement Shares. On each Settlement Date, the Placement Shares sold through the Designated Agent for settlement on such date shall be issued and delivered by the Company to the Designated Agent against payment by the Designated Agent to the Company of the Net Proceeds from the sale of such Placement Shares. Settlement of all such Placement Shares shall be effected by free delivery of the Placement Shares by the Company or its transfer agent to electronically transfer the Placement Shares being sold by crediting the Designated Agent's account or its designee's account (provided that the Designated Agent shall have given the Company written notice of such designee at least one Trading Day prior to the Settlement Date) at The Depository Trust Company through its Deposit Withdrawal at Custodian System for Placement Shares sold in the United States and at CDS through its CDSX system for Placement Shares sold in Canada or by such other means of delivery as may be mutually agreed upon by the parties hereto and, upon receipt of such Placement Shares, which in all cases shall be freely tradeable, transferable, registered shares in good deliverable form, in return for payment in same day funds to an account designated by the Company prior to the Settlement Date. If the Company defaults in its obligation to deliver Placement Shares on a Settlement Date, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Section 12 hereto, it will (i) hold the Agents harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and (ii) pay to the Designated Agent any commission, discount, or other compensation to which it would otherwise have been entitled absent such default; provided, however, that without limiting Section 12 herein, with respect to (ii) above, the Company shall not be obligated to pay the Agents any commission, discount or other compensation on any Placement Shares that it is not possible to settle due to: (A) a suspension or material limitation in trading in securities generally on either of the Exchanges; (B) a material disruption in securities settlement or clearance services in the United States or Canada; (C) failure by an Agent to comply with its obligations under the terms of this Agreement; or (D) if the Company and the Agents agree pursuant to Section 4(b) that no sale of Placement Shares will take place.

- (B) no relationship, direct or indirect, exists between or among the Company or, to the Company's knowledge, any Subsidiary or any affiliate of any of them, on the one hand, and the directors, officers and shareholders of the Company or, to the Company's knowledge, any Subsidiary, on the other hand, that is required by the Securities Act or Canadian Securities Laws to be described in the Registration Statement or included or incorporated by reference in the Preliminary Prospectuses, the Time of Sale Prospectus and the Prospectuses that is not so described;
 - (C) no relationship, direct or indirect, exists between or among the Company or any Subsidiary or any affiliate of them, on the one hand, and the directors, officers, or shareholders of the Company or, to the Company's knowledge, any Subsidiary, on the other hand, that is required by the rules of FINRA (or Canadian equivalent thereof) to be described in the Registration Statement or included or incorporated by reference in the Preliminary Prospectuses, the Time of Sale Prospectus and the Prospectuses that is not so described;
 - (D) neither the Company nor any of its Subsidiaries is indebted or under any obligation to any of its respective directors, officers or shareholders, on any account whatsoever, other than for (i) payment of salary, directors' fees, bonus and other employment or consulting compensation, (ii) reimbursement for expenses duly incurred in connection with the business of the Company, and (iii) for other standard employee benefits made generally available to all employees; and
 - (E) none of the Company or any of its Subsidiaries and the businesses now run by the Company or any of its Subsidiaries, and none of the directors, officers, supervisors, managers, agents, employees or other persons associated with or acting on behalf of the Company or any of its Subsidiaries has, to their knowledge (i) made or authorized any contribution, payment or gift of funds, property or anything else of value to any official, employee or agent of any Governmental Authority, agency or instrumentality in the United States of America or any other jurisdiction, (ii) used any corporate funds, or made any direct or indirect unlawful payment from corporate funds, to any foreign or domestic government official or employee or for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (iii) violated or is in violation of any provision of the *United States Foreign Corrupt Practices Act of 1977* or the *Corruption of Foreign Public Officials Act* (Canada), including making any contribution to any candidate for public office, in either case, where either the payment or gift or the purpose of such contribution, payment or gift was or is prohibited under the foregoing or any other applicable law, rule or regulation of any locality; or (iv) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment.
-

- (ii) To help the United States government fight the funding of terrorism and money laundering activities, the federal laws of the United States require all financial institutions to obtain, verify and record information that identifies each person with whom they do business as a condition to doing such business. To permit compliance with this requirement, upon request the Company will provide the Agents with information or documents sufficient to verify the Company's identity, including (as appropriate) a government-issued identification number, a government-issued business license, a certified charter, certificate of incorporation, partnership agreement or trust instrument and other constituent documents.

8. Covenants of the Company.

The Company covenants and agrees with the Agents that:

- (a) Prospectus and Registration Statement Amendments. After the date of this Agreement and until the completion of the sales contemplated hereunder, (i) the Company will notify the Agents promptly of the time when any subsequent amendment to the Canadian Prospectus Supplement or the U.S. Prospectus Supplement has been filed with any Securities Commission or the SEC and has been declared or become effective or where a receipt has been issued therefor, as applicable (each, an "**Amendment Date**") and of any request by the SEC or any Securities Commission for any amendment to the Canadian Prospectus Supplement or the U.S. Prospectus Supplement for additional information; (ii) the Company will file promptly all other material required to be filed by it with the SEC pursuant to Rule 433(d) and with the Securities Commissions; (iii) the Company will submit to the Agents a copy of any amendment or supplement to the Canadian Prospectus Supplement or the U.S. Prospectus Supplement (other than a copy of any documents incorporated by reference into the Registration Statement, the Time of Sale Prospectus or the Prospectuses) a reasonable period of time before the filing thereof and will afford the Agents and the Agents' counsel a reasonable opportunity to comment on any such proposed filing prior to such proposed filing; and (iv) the Company will furnish to the Agents at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference in the Canadian Prospectus Supplement or the U.S. Prospectus Supplement (provided that the Company shall not be required to deliver documents or information incorporated by reference into the Canadian Prospectus Supplement or the U.S. Prospectus Supplement if such documents are accessible from SEDAR+ or EDGAR) and the Company will cause (i) each amendment to the U.S. Prospectus to be filed with the SEC as required pursuant to General Instruction II.L of Form F-10 and the Rules and Regulations or, in the case of any document to be incorporated therein by reference, to be filed with the SEC as required pursuant to the Exchange Act, within the prescribed time period and (ii) each amendment to the Canadian Prospectus to be filed with the Securities Commissions as required pursuant to Shelf Procedures or, in the case of any document to be incorporated therein by reference, to be filed with the Securities Commissions as required pursuant to the Canadian Securities Laws, within the time period prescribed.
 - (b) Notice of Stop Orders. The Company will advise the Agents, promptly after it receives notice thereof, of the issuance by the SEC or the Securities Commissions of any stop order or of any order preventing or suspending the use of the Prospectuses or other prospectus in respect of the Shares, of any notice of objection of the SEC to the use of the Registration Statement or any post-effective amendment thereto, of the suspension of the qualification of the Shares for offering or sale in the Qualifying Jurisdictions, of the initiation or threatening of any proceeding for any such purpose, or of any request by the SEC or the Securities Commissions for the amending or supplementing of the Registration Statement or the Prospectuses or for additional information relating to the Shares. If there is a Placement Notice that has been issued by the Company that has not been suspended or terminated in accordance with the notice requirements set forth in Section 4 or Section 14, as applicable, the Company will use its commercially reasonable efforts to prevent the issuance of any stop order or any order preventing or suspending the use of the Prospectuses or other prospectus in respect of the Shares, a notice of objection of the SEC to the Registration Statement or any post-effective amendment thereto, the suspension of any qualification for offering or sale in the Qualifying Jurisdictions, and, in the event of the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Shares or suspending any such qualification, the Company will use its commercially reasonable efforts to obtain the lifting or withdrawal of such order as soon as possible. If there is no such outstanding Placement Notice, then, if, in the Company's determination and at the Company's sole discretion, it is necessary to prevent the issuance of any stop order or have a stop order lifted, the Company will use its commercially reasonable efforts to prevent the issuance of any stop order or any order preventing or suspending the use of the Prospectuses or other prospectus in respect of the Shares, a notice of objection of the SEC to the Registration Statement or any post-effective amendment thereto, the suspension of any qualification for offering or sale in the Qualifying Jurisdictions, and, in the event of the issuance of any such stop order or any such order preventing or suspending the use of any prospectus relating to the Shares or suspending any such qualification, the Company will use its commercially reasonable efforts to obtain the lifting or withdrawal of such order as soon as possible.
-

- (c) Delivery of Prospectus; Subsequent Changes. Within the time during which a prospectus relating to the Shares is required to be delivered by the Agents under the U.S. Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 153, Rule 172 or Rule 173(a) under the U.S. Securities Act) or the Canadian Securities Laws, the Company will comply in all material respects with all requirements imposed upon it by the U.S. Securities Act, by the Rules and Regulations and by the Canadian Securities Laws, as appropriate and as from time to time in force, and will file or furnish on or before their respective due dates all reports required to be filed or furnished by it with the SEC pursuant to Sections 13(a), 13(c), or 15(d) of the Exchange Act, if applicable, or any other provision of or under the Exchange Act or with the Securities Commissions pursuant to the Canadian Securities Laws, as appropriate. If during such period any event occurs as a result of which the Time of Sale Prospectus or the Prospectuses as then amended or supplemented would include an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary to amend or supplement the Registration Statement, the Time of Sale Prospectus or the Prospectuses to comply with the U.S. Securities Act or the Canadian Securities Laws, the Company will promptly notify the Agents to suspend the offering of Placement Shares during such period and, if, in the Company's determination and at the Company's sole discretion, it is necessary to file an amendment or supplement to the Registration Statement, the Time of Sale Prospectus or the Prospectuses to comply with the U.S. Securities Act or the Canadian Securities Laws, the Company will promptly prepare and file with the Securities Commissions and the SEC such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Time of Sale Prospectus or the Prospectuses comply with such requirements, and the Company will furnish to the Agents such number of copies of such amendment or supplement as the Agents may reasonably request.
-

- (d) Delivery of Registration Statement and Prospectuses. The Company will furnish to the Agents and their counsel (at the expense of the Company) copies of the Registration Statement, the Time of Sale Prospectus or the Prospectuses (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement, the Time of Sale Prospectus or the Prospectuses that are filed with the SEC or Securities Commissions during the period in which a prospectus relating to the Shares is required to be delivered under the U.S. Securities Act (including all documents filed with the SEC during such period that are deemed to be incorporated by reference therein) or the Securities Commissions (including all documents filed with the Securities Commissions during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities as the Agents may from time to time reasonably request provided, however, the Company shall not be required to furnish any documents to the Agents that are available on SEDAR+ or EDGAR.
 - (e) Company Information. The Company will furnish to the Agents such information in its possession as is reasonably requested by the Agents as necessary or appropriate to fulfil its obligations as agent pursuant to this Agreement, the U.S. Securities Act and Canadian Securities Laws.
 - (f) Earnings Statement. The Company will make generally available to its security holders as soon as practicable an earnings statement covering a 12 month period that satisfies the provisions of Section 11(a) of the U.S. Securities Act and Rule 158 under the U.S. Securities Act.
 - (g) Material Non-Public Information. The Company covenants that it will not issue a Placement Notice to the Agents in accordance with Section 2 hereof if the Company is in possession of material non-public information regarding the Company and its subsidiaries, taken as a whole, or the Shares.
 - (h) Expenses. The Company shall pay the fees and expenses of Agents including, but not limited to, the fees and expenses of the U.S. and Canadian counsels to the Agents, in amounts not to exceed (i) US\$100,000 (excluding taxes and disbursements) or such other amount as may be agreed upon by the Company and Agents in writing in connection with the execution of this Agreement, payable upon the execution of this Agreement, and (ii) US\$15,000 (excluding taxes and disbursements) in connection with each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A-1.
-

- (i) Use of Proceeds. The Company will use the Net Proceeds as described in the Prospectus Supplement under the heading "Use of Proceeds".
 - (j) Notice of Other Sales. Without the prior written consent of the Agent, the Company will not, directly or indirectly, offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any Shares (other than the Placement Shares offered pursuant to this Agreement) or securities convertible into or exchangeable for Shares, warrants or any rights to purchase or acquire, Shares during the period beginning on the fifth (5th) Trading Day immediately prior to the date on which any Placement Notice is delivered to the Agents hereunder and ending on the fifth (5th) Trading Day immediately following the final Settlement Date with respect to Placement Shares sold pursuant to such Placement Notice (or, if the Placement Notice has been terminated or suspended prior to the sale of all Placement Shares covered by a Placement Notice, the date of such suspension or termination), and will not directly or indirectly in any other "at the market" or continuous equity transaction offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any Shares (other than the Placement Shares offered pursuant to this Agreement) or securities convertible into or exchangeable for Shares, warrants or any rights to purchase or acquire, Shares prior to the forty-fifth (45th) day immediately following the termination of this Agreement; provided, however, that such restrictions will not be required in connection with the (i) grant or exercise of equity compensation pursuant to the Company's existing equity compensation plans or Shares issuable upon the exercise, vesting, settlement or conversion of any securities issued pursuant to any employment agreement, consulting agreement, advisory agreement, or other compensatory or incentive arrangement of the Company, whether now in effect or hereafter implemented; (ii) issuance or sale of Shares issuable upon conversion of securities or the exercise of warrants, options or other rights in effect or outstanding, and disclosed in filings by the Company available on SEDAR+ or EDGAR or otherwise in writing to the Agents; (iii) obligations in respect of existing agreements described in the Prospectuses, including the obligations in respect of the Corporation's Shareholder Rights Plan; and (iv) issuance or sale of Shares or securities convertible into or exchangeable for shares of Shares as consideration for mergers, acquisitions, other business combinations, joint ventures, licensing consulting, or strategic alliances occurring after the date of this Agreement which are not issued for capital raising purposes.
 - (k) Change of Circumstances. During the term of this Agreement, the Company will, at any time during a fiscal quarter in which the Company intends to deliver a Placement Notice to the Agents to sell Placement Shares, advise the Agents promptly after it has received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document provided to the Agents pursuant to this Agreement.
 - (l) Due Diligence Cooperation. The Company will cooperate with any due diligence review conducted by the Agents or their agents, including, without limitation, providing information and making available documents and senior corporate officers, as the Agents or their counsel may reasonably request; provided, however, that the Company shall be required to make available senior corporate officers only (i) by telephone or at the Company's principal offices and (ii) during the Company's ordinary business hours.
-

- (m) Affirmation of Representations, Warranties, Covenants and Other Agreements. Upon commencement of the offering of the Placement Shares under this Agreement (and upon the recommencement of the offering of the Placement Shares under this Agreement following any suspension of sales under Section 4), and, upon delivery of each Placement Notice at each Applicable Time, each Settlement Date and each Amendment Date, the Company shall be deemed to have affirmed each representation and warranty contained in this Agreement.
- (n) Required Filings Relating to Placement of Placement Shares. In each quarterly report, annual information form, annual financial statements, or annual report on Form 40-F, Form 20-F or Form 10-K filed by the Company in respect of any period in which sales of Placement Shares were made by the Agents under this Agreement, the Company shall set forth with regard to such period the number of Placement Shares sold through the Agents under this Agreement, the Net Proceeds received by the Company and the compensation paid by the Company to the Agents with respect to sales of Placement Shares pursuant to this Agreement. For so long as the Shares are listed on the Exchange, the Company will provide the Exchanges with all information it requires with respect to the Offering within the timelines prescribed by the Exchanges.
- (o) Representation Dates; Certificate. During the term of this Agreement, each time the Company (i) files the Prospectuses relating to the Placement Shares or amends or supplements the Registration Statement or the Prospectuses relating to the Placement Shares by means of a post-effective amendment or supplement but not by means of incorporation of document(s) by reference to the Registration Statement or the Prospectuses relating to the Placement Shares; (ii) files or amends an annual report on Form 40-F, Form 20-F or Form 10-K or (iii) files or amends interim financial statements on Form 6-K; or (iv) at any other time reasonably requested by the Agents (each date of filing of one or more of the documents referred to in clauses (i) through (iii) and at any time of request pursuant to (iv) above shall be a "**Representation Date**"), the Company shall furnish the Agents with a certificate, in the form attached hereto as Exhibit A-1 within five (5) Trading Days of any Representation Date. For greater certainty, any supplement in this Section shall only include a prospectus supplement relating to the Placement Shares. The requirement to provide a certificate under this Section 8(o) shall be waived for any Representation Date occurring at a time at which no Placement Notice is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date; provided, however, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 40-F, Form 20-F or Form 10-K. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Shares following a Representation Date when the Company relied on such waiver and did not provide the Agents with a certificate under this Section 8(o), then on or before the time the Company delivers the Placement Notice or the Agents sells any Placement Shares, the Company shall provide the Agents with a certificate, in the form attached hereto as Exhibit A-1, dated the date of the Placement Notice.
-

- (p) Legal Opinions. Upon execution of the Agreement (x) and within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A-1 for which no waiver is applicable and (y) concurrently with the delivery of a certificate pursuant to the last sentence of Section 8(o), the Company will furnish or cause to be furnished to the Agents and to counsel to the Agents:
- (i) favourable legal opinions of Aird & Berlis LLP, as Canadian counsel to the Company, as to matters of Canadian federal and Ontario provincial law, and from local counsel acceptable to the Agents' counsel as to matters governed by the laws of jurisdictions in Canada other than the province of Ontario, to the effect set forth in Schedule 5;
 - (ii) favourable legal opinions from legal counsel to each Material Subsidiary (who may rely, to the extent appropriate in the circumstances, as to matters of fact on certificates of officers, public and exchange officials related to each Material Subsidiary), regarding each of the Material Subsidiaries in form and substance satisfactory to the Agents and their counsel, acting reasonably, subject to customary assumptions, qualifications and limitations, pertaining to:
 - (A) such Material Subsidiary having been incorporated and existing under the Applicable Laws of their respective jurisdictions of incorporation;
 - (B) such Material Subsidiary having the corporate capacity and power to own and lease their properties and assets and to conduct their Business as described in the Prospectuses; and
 - (C) as to the authorized and issued share capital of such Material Subsidiary, with the exception of Cybin IRL Limited, and to the ownership thereof;
- provided that such opinions regarding the Material Subsidiaries will not be required in respect of Representation Dates where the Representation Date does not relate to a Prospectus filing and where the officer's certificate provided under Section 8(o) has confirmed that there has been no change to the ownership structure of the Material Subsidiaries since the last Representation Date; and
- (iii) favourable United States legal opinion and negative assurance letter of Dorsey & Whitney LLP, as United States counsel for the Company, such letters to be in form and substance reasonably satisfactory to the Agents and their counsel, substantially similar to the form previously provided to the Agents and their counsel, modified, as necessary, to relate to the Registration Statement and the Prospectuses as then amended or supplemented.
- (q) Other Deliverables. Upon execution of the Agreement (x) and within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A-1 for which no waiver is applicable and (y) concurrently with the delivery of a certificate pursuant to the last sentence of Section 8(o), the Company will furnish or cause to be furnished to the Agents, such other opinions or certificates as the Agents or counsel to the Agents may reasonably require in connection with the issuance of the Placement Shares, or, in lieu of any such opinions, counsel last furnishing such opinion to the Agents may furnish the Agents with a letter to the effect that the Agents may rely on such last opinion to the same extent as though it was dated the date of such letter authorizing reliance (except that statements in such last opinion shall be deemed to relate to the Prospectuses as amended and supplemented to the time of delivery of such letter authorizing reliance).
-

- (r) Comfort Letters. Upon execution of this Agreement and (x) within five (5) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A-1 for which no waiver is applicable and (y) concurrently with the delivery of a certificate pursuant to the last sentence of Section 8(o), the Company shall cause the Company's Auditors to furnish to the Agents a letter (the "**Comfort Letters**") dated the date the Comfort Letter is delivered, in form and substance satisfactory to the Agents, acting reasonably, in each case addressed to the Agents, (A) relating to the verification of certain of the financial information and statistical and accounting data relating to the Company and the Subsidiaries, as applicable, contained in the Registration Statement and the Prospectuses or incorporated by reference therein, which comfort letters shall be based on a review having a cutoff date not more than two Business Days prior to the date of such letter, (B) stating that such auditors are independent public accountants within the meaning of the U.S. Securities Act and the rules and regulations thereunder, and that in their opinion the audited financial statements of the Company incorporated by reference in the Registration Statement and the Prospectuses comply as to form in all material respects with the published accounting requirements of the U.S. Securities Act and the related regulations and with the applicable accounting requirements of the U.S. Securities Act and the Exchange Act and the related published rules and regulations adopted by the SEC (the first such letter, the "**Initial Comfort Letter**") and (z) updating the Initial Comfort Letter with any information which would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectuses, as amended and supplemented to the date of such letter. The requirement to furnish the documents set out in this Section 8(q) shall be waived for any Representation Date occurring at a time at which no Placement Notice is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder, as applicable, and the next occurring Representation Date; provided, however, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 40-F, Form 20-F or Form 10-K. Notwithstanding the foregoing, if the Company subsequently decides to sell Shares following a Representation Date when the Company relied on such waiver, then before the Company delivers the Placement Notice, or the Agents sell any Shares, the Company shall provide the Agents with each of the documents set out in this Section 8(r).
- (s) Market Activities. The Company will not, directly or indirectly, (i) take any action designed to or that would constitute or that might reasonably be expected to cause or result in, under Canadian Securities Laws or U.S. Securities Laws or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares or (ii) sell, bid for, or purchase the Placement Shares, or pay anyone any compensation for soliciting purchases of the Placement Shares other than the Agents.
-

- (t) Investment Company Act. The Company will conduct its affairs in such a manner so as to reasonably ensure that, prior to the termination of this Agreement, it will not be or become required to register as an "investment company" as defined in the *United States Investment Company Act of 1940*, as amended, and the rules and regulations of the SEC promulgated thereunder.
- (u) No Offer to Sell. Neither the Agents nor the Company (including its agents and representatives, other than the Agents in each of their capacities as such) will make, use, prepare, authorize, approve or refer to any written communication that constitutes an offer to sell or solicitation of an offer to buy Placement Shares hereunder.
- (v) Consent to the Agents' Trading. The Company consents to the Agents trading in the Shares of the Company (to the extent permitted under U.S. Securities Laws, Canadian Securities Laws, the rules of the Exchanges and under this Agreement): (i) for the account of their clients at the same time as sales of Placement Shares occur pursuant to this Agreement; and (ii) for the Agents' own accounts provided that no such purchase or sale shall take place by an Agent while such Agent has received a Placement Notice that remains in effect, unless the Company has expressly authorized or consented in writing to any such trades by such Agent, and provided further that in the case of clauses (i) or (ii), by providing such consent, the Company will incur no liability on behalf of the Agents or their clients from such trading activity.
- (w) Listing of Placement Shares. The Placement Shares shall have either (i) (A) been approved for listing, subject to notice of issuance, on the Canadian Stock Exchange and (B) authorized for listing on the United States Stock Exchange, or (ii) the Company shall have filed an application for listing of the Placement Shares on the Exchanges at or prior to the issuance of the Placement Notice.

9. Reporting Relating to Placement of Placement Shares

Each Agent will use commercially reasonable efforts to deliver to the Company, for each interim and annual period during which Placement Shares are sold through the Agent or distributed pursuant to this Agreement, and otherwise as reasonably requested by the Company to enable the Company to meet its interim and annual reporting requirements under Canadian Securities Laws, U.S. Securities Laws or any applicable requirements of the Exchanges, promptly upon a request from the Company, a report providing sufficient information regarding the distribution of the Placement Shares for the Company to meet its interim and annual reporting requirements under Canadian Securities Laws, U.S. Securities Laws or any applicable requirements of the Exchanges. Unless Canadian Securities Laws, U.S. Securities Laws, the applicable requirements of the Exchanges, the Company and Agent agree that the Agent's report referred to in this Section 9 shall state the number and average price of Placement Shares issued on all Settlement Dates occurring during the interim or annual period, as applicable, and the aggregate gross and the aggregate Net Proceeds raised and the aggregate commission paid or payable, during the interim or annual period, as applicable.

10. Additional Representations and Covenants of the Company

(a) Issuer Free Writing Prospectuses.

- (i) The Company represents that it has not made, and covenants that, unless it obtains the prior written consent of the Agents, it will not make any offer relating to the Placement Shares that would constitute an Issuer Free Writing Prospectus required to be filed by it with the SEC or retained by the Company under Rule 433; except as set forth in a Placement Notice, no use of any Issuer Free Writing Prospectus has been consented to by the Agents. The Company agrees that it will comply with the requirements of Rules 164 and 433 under the U.S. Securities Act applicable to any Issuer Free Writing Prospectus, including timely filing with the SEC or retention where required and legending.
- (ii) The Company agrees that no Issuer Free Writing Prospectus, if any, will include any information that conflicts with the information contained in Time of Sale Prospectus, the Prospectuses or the Registration Statement, including any document incorporated by reference therein that has not been superseded or modified. In addition, no Issuer Free Writing Prospectus, if any, together with the Prospectuses, will include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided however, the foregoing shall not apply to any statements or omissions in any Issuer Free Writing Prospectus made in reliance on information furnished in writing to the Company by the Agents expressly stating that such information is intended for use therein.
- (iii) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus, if any, any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Time of Sale Prospectus or the Prospectuses, including any document incorporated by reference therein that has not been superseded or modified or would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Company will give prompt notice thereof to the Agents and, if requested by the Agents, will prepare and furnish without charge to the Agents an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, the foregoing shall not apply to any statements or omissions in any Issuer Free Writing Prospectus made in reliance on information furnished in writing to the Company by the Agents expressly stating that such information is intended for use therein.

- (b) Non-Issuer Free Writing Prospectus. The Company consents to the use by the Agents of a free writing prospectus that (a) is not an "Issuer Free Writing Prospectus" as defined in Rule 433, and (b) contains only information describing the terms of the Placement Shares or the Offering, or information permitted under Rule 134 under the U.S. Securities Act; provided that the Agents (severally and not jointly) covenant with the Company not to take any action that would result in the Company being required to file with the SEC under Rule 433(d) a free writing prospectus prepared by or on behalf of the Agents that otherwise would not be required to be filed by the Company thereunder, but for the action of the Agents.
-

- (c) Distribution of Offering Materials. The Company has not distributed and will not distribute, during the term of this Agreement, any "marketing materials" (as defined in National Instrument 41-101 - *General Prospectus Requirements*) in connection with the offering and sale of the Placement Shares other than the Registration Statement, the Time of Sale Prospectus, the Prospectuses or any Issuer Free Writing Prospectus reviewed and consented to by the Agents and included in a Placement Notice (as described in clause (a) (i) above), provided that the Agents (severally and not jointly) covenant with the Company not to take any action that would result in the Company being required to file with the Securities Commissions any "marketing materials" that otherwise would not be required to be filed by the Company, but for the action of the Agents.

11. Conditions to the Agents' Obligations.

The obligations of the Agents hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein, to the due performance by the Company of its obligations hereunder, to the completion by the Agents of a due diligence review satisfactory to the Agents in their reasonable judgment, and to the continuing satisfaction (or waiver by the Agents in their sole discretion) of the following additional conditions:

- (a) Canadian Prospectus Supplement. The Canadian Prospectus Supplement shall have been filed with the Securities Commissions under the Shelf Procedures and in accordance with this Agreement, all requests for additional information on the part of the Securities Commissions shall have been complied with to the reasonable satisfaction of the Agents and the Agents' counsel.
- (b) Registration Statement Effective. The Registration Statement shall remain effective and shall be available for the sale of (i) all Placement Shares issued pursuant to all prior Placements and not yet sold by the Agents and (ii) all Placement Shares contemplated to be issued by the Placement Notice relating to such Placement.
- (c) No Material Notices. None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the SEC, the Securities Commissions or any other federal or state or foreign or other governmental, administrative or self-regulatory authority during the period of effectiveness of the Registration Statement and the Prospectuses, the response to which would require any amendments or supplements to the Registration Statement, the Time of Sale Prospectus or the Prospectuses; (ii) the issuance by the SEC, the Securities Commissions or any other federal or state or foreign or other Governmental Authority of any stop order suspending the effectiveness of the Registration Statement or the Prospectuses or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any statement made in the Registration Statement, the Time of Sale Prospectus or the Prospectuses or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, the Time of Sale Prospectus, Prospectuses or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and in the case of the Time of Sale Prospectus and each Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (v) the Company's reasonable determination that a post-effective amendment to the Registration Statement, the Time of Sale Prospectus or Prospectuses would be appropriate.
-

- (d) Material Changes. Except as contemplated and appropriately disclosed in the time of Sale Prospectus and the Prospectuses, or disclosed in the Company's reports filed with the SEC and Securities Commissions, in each case at the time the applicable Placement Notice is delivered, there shall not have been any material change, on a consolidated basis, in the authorized common share capital of the Company, or any development that causes or could reasonably be expected to cause a Material Adverse Effect, the effect of which, in the sole judgment of the Agents (without relieving the Company of any obligation or liability it may otherwise have), acting reasonably, is so material as to make it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Time of Sale Prospectus and the Prospectuses.
 - (e) Certificate. The Agents shall have received the certificate required to be delivered pursuant to Section 8(o) on or before the date on which delivery of such certificate is required pursuant to Section 8(o).
 - (f) Legal Opinions. The Agents shall have received the opinions of counsel to be delivered pursuant to Section 8(p) on or before the date on which such delivery of such opinions are required pursuant to Section 8(p). In addition, counsel to the Company may rely upon the local counsel opinions as to all matters relating to jurisdictions other than the Province of Ontario, not governed by the laws of the respective jurisdiction in which they are qualified to practice, and may rely, to the extent appropriate in the circumstances, as to matters of fact on certificates of the Company, auditors and public officials, and that the opinions of counsel may be subject to usual qualifications as to equitable remedies, creditors' rights laws and public policy considerations.
 - (g) Comfort Letters. The Agents shall have received the Comfort Letter(s) required to be delivered pursuant to Section 8(q) on or before the date on which the delivery of such letter is required pursuant to Section 8(q).

The Placement Shares shall have either been (i) (A) approved for listing, subject to notice of issuance, on the Canadian Stock Exchange and (B) authorized for listing on the United States Stock Exchange, or (ii) the Company shall have filed an application for listing of the Placement Shares on each of the Exchanges at or prior to the issuance of the Placement Notice. Trading in the Shares shall not have been suspended on the Exchanges.
-

- (i) Other Materials. On each date on which the Company is required to deliver a certificate pursuant to Section 8(o), the Company shall have furnished to the Agents such appropriate further information, certificates and documents as the Agents may reasonably request.
- (j) U.S. Securities Act Filings Made. All filings with the SEC required by General Instruction II.L of Form F-10, the U.S. Securities Act and required by the Securities Commissions to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by General Instruction II.L of Form F-10, the U.S. Securities Act and Canadian Securities Laws.
- (k) FINRA. If a filing with FINRA is required to be made, FINRA shall not have objected to the fairness or reasonableness of the terms or arrangements for the Agents' compensation under this Agreement.

12. Indemnification and Contribution

- (a) The Company shall indemnify and hold harmless each of the Agents and the Agents' directors, officers, shareholders, agents and employees and each person who controls any Agent within the meaning of section 15 of the U.S. Securities Act or section 20 of the Exchange Act (collectively, the "**Indemnified Parties**" and individually, an "**Indemnified Party**") from and against all liabilities, claims, demands, losses (other than loss of profit in connection with the distribution of the Placement Shares), costs, damages and expenses (including, without limitation, any reasonable legal fees or other expenses reasonably incurred by them in connection with investigating or defending any such liability, claim, demand, or loss) (collectively, the "**Losses**") in any way caused by or arising directly or indirectly from or in consequence of:
 - (i) the breach of any representation or warranty of the Company made in this Agreement or an Offering Document or the failure of the Company to comply with any of its obligations in this Agreement or an Offering Document or any omission or alleged omission to state any fact required to be stated in such documents or necessary to make any statement in such documents not misleading in light of the circumstances under which it was made;
 - (ii) any information or statement (except any information or statements that has been provided in writing to the Company by or on behalf of any Agent specifically for inclusion therein) in the Canadian Prospectus or any amendment thereto, the U.S. Prospectus or any amendment thereto or in any other document incorporated therein by reference being alleged to be a misrepresentation or untrue, or any omission or alleged omission to state therein any fact or information (except facts or information that has been provided in writing to the Company by or on behalf of any Agent specifically for inclusion therein) required to be stated therein or necessary to make any of the statements therein not misleading in light of the circumstances in which they were made;
 - (iii) any misrepresentation, untrue statement or alleged untrue statement of a material fact in the Registration Statement or any amendment thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or any untrue statement or alleged untrue statement of a material fact in the Canadian Prospectus or any amendment thereto, U.S. Prospectus or any amendment thereto or any Issuer Free Writing Prospectus or any amendment or supplement thereto, or any omission or alleged omission of a material fact (except facts or information that has been provided in writing to the Company by or on behalf of any Agent specifically for inclusion therein) necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;
-

- (iv) the Company not complying with any requirement of applicable Canadian Securities Laws or U.S. Securities Laws in connection with the transactions contemplated herein; or
 - (v) any order made or any inquiry, investigation (whether formal or informal) or proceeding commenced or threatened by any securities, regulatory or other competent authority based upon any untrue statement, omission or misrepresentation or alleged untrue statement, omission or misrepresentation (except a statement, omission or misrepresentation relating solely to the Agents or any of them that has been provided in writing to the Company by or on behalf of any Agent specifically for inclusion therein) in the Continuous Disclosure Materials preventing or restricting the trading in or the distribution of the Placement Shares or any of them in any of the provinces or territories of Canada or in the United States.
- (b) Each Agent (severally and not jointly) agrees to indemnify and hold harmless each of the Company and its directors, officers, employees and agents and each person who controls the Company within the meaning of Section 15 of the U.S. Securities Act and Section 20 of the Exchange Act, from and against any and all losses (other than loss of profit in connection with the distribution of the Placement Shares), claims, damages and liabilities (including, without limitation, the legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted) caused by any untrue statement or alleged untrue statement of a material fact relating solely to the Agents that has been provided in writing to the Company by or on behalf of any Agent specifically for inclusion therein contained in the Time of Sale Prospectus and the Prospectuses (including any amendment or supplement if the Company shall have furnished any amendments or supplements thereto), or any Issuer Free Writing Prospectus, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading.
- (c) The Company acknowledges that the names of the Agents set forth on the cover of the Prospectus constitutes the only information furnished in writing, by or on behalf of the Agents for inclusion in the Prospectuses.
- (d) The indemnification obligations in (a) and (b) above will not apply to the extent that a court of competent jurisdiction in a final judgment that has become non-appealable shall determine that such Losses were solely caused by the gross negligence, willful misconduct, bad faith or fraud of the Indemnified Party, such Indemnified Party will promptly reimburse the Company any funds advanced to the Indemnified Party in respect of such liability, claim, demand, loss, cost, damage or expense. For greater certainty, the Company and the Agents agree that they do not intend that any failure by the Agents to conduct such reasonable investigation as necessary to provide the Agents with reasonable grounds for believing the applicable document contained no misrepresentation shall constitute "gross negligence" or "willful misconduct" for purposes of this Section 12 or otherwise disentitle the Agents from indemnification hereunder.
-

- (e) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in Section 12 hereof is unavailable, in whole or in part, for any reason to an Indemnified Party in respect of any liabilities, claims, demands, losses, costs, damages and expenses referred to therein, the Company shall contribute to the amount paid or payable (or, if such indemnity is unavailable only in respect of a portion of the amount so paid or payable, such portion of the amount so paid or payable) by such Indemnified Party as a result of such liabilities, claims, demands, losses, costs, damages and expenses:
- (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Agents on the other hand from the distribution of the Placement Shares; or
 - (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Agents on the other hand in connection with the matters or things referred to in Section 12 hereof which resulted in such liabilities, claims, demands, losses, costs, damages or expenses, as well as any other relevant equitable considerations;

provided that the Agents shall not in any event be liable to contribute, in the aggregate, any amount in excess of the Placement Fee or any portion thereof actually received. The relative benefits received by the Company on the one hand and the Agents on the other shall be deemed to be in the same ratio as the total Net Proceeds from the distribution of Placement Shares received by the Company is to the Placement Fee received by the Agents. The relative fault of the Company on the one hand and of the Agents on the other shall be determined by reference to, among other things, whether the matters or things referred to in Section 12 hereof which resulted in such liabilities, claims, demands, losses, costs, damages and expenses relate to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Company (including indirectly as aforesaid) or to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Agents and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission or misrepresentation, or other matter or thing referred to in Section 12 hereof. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 12 were determined by any method of allocation which does not take into account the equitable considerations referred to above in this Section 12.

Notwithstanding the provisions of this Section 12, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the U.S. Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

- (f) If any matter or thing contemplated by this Section 12 shall be asserted against any Indemnified Party, the Indemnified Party concerned shall promptly notify the Company and the Agents of the nature of such claim (provided that any failure to so notify the Company promptly shall relieve the Company of liability under this Section 12 only to the extent that such failure prejudices the Company's ability to defend such claim), and the Company shall, subject as hereinafter provided, be entitled (but not required) to assume the defence of any suit or proceeding (including any governmental or regulatory investigation or proceeding) brought to enforce such claim. Any such defence shall be through legal counsel acceptable to the Indemnified Party (whose acceptance shall not be unreasonably withheld). An Indemnified Party shall have the right to employ separate counsel in any such suit and participate in the defence thereof but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless: (i) the Company fails to assume the defence of such suit on behalf of the Indemnified Party within a reasonable period of time; or (ii) the employment of such counsel has been authorized in writing by the Company; or (iii) the named parties to any such suit or proceeding include the Indemnified Party as well as the Company and the Indemnified Party shall have received advice of counsel that there may be one or more legal defences available to the Indemnified Party which are different from or in addition to those available to the Company (in which case, if such Indemnified Party notifies the Company in writing that it elects to employ separate counsel at the expense of the Company, the Company shall not have the right to assume the defence of such suit or proceeding on behalf of the Indemnified Party and shall be liable to pay the reasonable fees and expenses of counsel for the Indemnified Party), it being understood, however, that the Company shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate law firm for all such Indemnified Parties (other than local counsel). The Company shall not be liable for any settlement of any action or suit effected without its written consent (which consent will not be unreasonably withheld or delayed). The Company shall not, without the prior written consent of each Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding relating to the matters contemplated by this Section 12 (whether or not any Indemnified Party is a party thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each Indemnified Party from all liability arising or that may arise out of such claim, action or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any Indemnified Party. Notwithstanding the foregoing, if at any time an Indemnified Party shall have requested the Company to reimburse the Indemnified Party for fees and expenses of counsel, the Company agrees that it shall be liable for any settlement of the nature contemplated by Section 12 effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by the Company of the aforesaid request, (ii) the Company shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) the Company shall not have reimbursed such Indemnified Party in accordance with such request prior to the date of such settlement. It is the intention of the Company to constitute each of the Agents as trustees, for the Agents' directors, officers, shareholders, agents and employees, and each person who controls any Agent of the covenants of the Company under Sections 12 hereof with respect to the Agents' directors, officers, shareholders, agents and employees, and each person who controls any Agent, and the Agents agree to accept such trust and to hold and enforce such covenants on behalf of such persons.
-

- (g) The Company agrees that in case any legal proceedings or investigation shall be brought against or initiated against the Company by any governmental commission, regulatory authority, exchange, court or other authority and an Indemnified Party or other representative of any of the Agents shall be required to testify or respond to procedures designed to discover information regarding, in connection with or relating to the performance of professional services rendered to the Company by one or more of the Agents, the Company agrees to pay the Agent the reasonable costs (including an amount to reimburse the Agent for the time spent by the personnel in connection therewith on a per diem basis and out-of-pocket expenses) in connection therewith.
- (h) The rights provided in this Section 12 shall be in addition to and not in derogation of any other right which the Agents may have by statute or otherwise at law.

13. Representations and Warranties to Survive Delivery

All representations and warranties of the Company herein or in certificates delivered pursuant hereto shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of the Agent, its affiliates, directors, officers, shareholders, agents and employees and any controlling persons, (ii) delivery and acceptance of the Placement Shares and payment therefor or (iii) any termination of this Agreement.

14. Termination

If the Agents elect to terminate this Agreement as provided in this Section 14(a), the Agents shall provide the required notice as specified in Section 14.
-

 - (e) Any termination of this Agreement shall be effective on the date specified in such notice of termination; provided that such termination shall not be effective until the close of business on the date of receipt of such notice by the Agents or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.
 - (f) In the event that the Company terminates this Agreement, as permitted under Section 14(b), the Company shall be under no continuing obligation, either pursuant to this Agreement or otherwise, to utilize the services of the Agents in connection with any sale of securities of the Company or to pay any compensation to the Agents other than compensation with respect to sales of Placement Shares subscribed on or before the termination date and the Company shall be free to engage other placement agents and underwriters before (except with respect to the sale of securities hereunder), from and after the termination date with no continuing obligation to the Agent.

Cybin Initiates At-The-Market Equity Program of up to US\$100 Million

TORONTO, CANADA - December 30, 2025 - Cybin Inc. (NYSE American:CYBN) (Cboe Canada CA:CYBN) ("**Cybin**" or the "**Company**"), a clinical-stage breakthrough neuropsychiatry company committed to advancing mental healthcare by developing new and innovative next-generation treatment options, today announced that it has launched an at-the-market equity program (the "**ATM Program**") to allow Cybin to issue and sell up to US\$100,000,000 of common shares in the capital of the Company (the "**Shares**") from treasury to the public, from time to time, through Cantor Fitzgerald and Co. and Cantor Fitzgerald Canada Corporation (together the "**Agents**").

All the Shares sold under the ATM Program will be sold in transactions that are deemed to be "at-the-market offerings" under Rule 415 of the U.S. Securities Act of 1933, as amended, and "at-the-market" distributions as defined in National Instrument 44-102 - *Shelf Distributions*, directly through Cboe Canada Inc. ("**Cboe Canada**"), a United States stock exchange or any other "marketplace" (as defined in National Instrument 21-101 - *Marketplace Operation*) upon which the Shares are listed, quoted or otherwise traded, at the prevailing market price at the time of sale. Cybin intends to use the net proceeds from sales of the Shares under the ATM Program, if any, for growth opportunities and working capital initiatives.

Distributions of the Shares under the ATM Program, if any, will be made pursuant to the terms and conditions of an "at-the-market" equity distribution agreement (the "**Distribution Agreement**") dated December 30, 2025, entered into by and among the Company and the Agents. A copy of the Distribution Agreement can be found under the Company's profile on SEDAR+ at www.sedarplus.ca and on EDGAR at www.sec.gov/edgar.

Unless earlier terminated in accordance with the terms of the Distribution Agreement, the ATM Program will be effective until the earlier of the issuance and sale of all of the Shares issuable pursuant to the ATM Program and October 17, 2027. The Company is not obligated to make any sales of Shares under the ATM Program and there can be no assurance as to when such sales will be completed, if ever. The volume and timing of distributions under the ATM Program, if any, will be determined in Cybin's sole discretion and in accordance with the Distribution Agreement. As any Shares distributed under the ATM Program will be issued and sold at the prevailing market price at the time of sale, prices may vary among purchasers through the duration of the ATM Program. The completion of sales of the Shares under the ATM Program will be subject to customary closing conditions, including the listing of such Shares on Cboe Canada and any United States stock exchange on which the Shares may be listed, and any required approvals of any such exchanges.

The ATM Program is being established, and the sale of the Shares through the ATM Program will be made pursuant to, and qualified by way of a prospectus supplement dated December 30, 2025 (the "**Prospectus Supplement**") to the Company's short form base shelf prospectus dated September 17, 2025, as amended on December 19, 2025 (the "**Base Shelf Prospectus**") filed with the securities commissions in each of the provinces and territories of Canada. The Base Shelf Prospectus allows Cybin to qualify offerings of Shares, warrants, subscription receipts, units or debt securities, or a combination thereof, up to an aggregate total of C\$1,700,000,000 during the 25-month period, ending on October 17, 2027, that the Base Shelf Prospectus remains effective. The Prospectus Supplement will be filed with the United States Securities and Exchange Commission as a supplement to the Company's registration statement on Form F-10 (File No. 333-292294), which became effective on December 19, 2025, in accordance with the Multijurisdictional Disclosure System established between Canada and the United States.
